WORLD BLASTING INNOVATORS ATTENDEES REGULATIONS

Hey Blast Innovator, if you're reading this it's because you are considering participating on the World Blasting Innovator event. We can tell you that won't regret it. We've designed this conference with you in the center of all decisions.

We're bringing three main elements to the table:

- **Knowledge:** You'll have the opportunity to hear from various innovation speakers in the mining field, who will share their experiences and solutions. Additionally, you'll take part in a massive Drill&Blast Design Thinking Workshop – to learn more about the innovation and idea generation process.
- **Networking and Enjoyment:** We are preparing a series of fun, engaging, dynamic and energetic activities to make business interactions more enjoyable and productive.
 - Design Thinking Workshop
 - International Dinner Party
 - Boat Ride on Porto River
 - Chance to win a Helicopter ride side by side with our Diamond Sponsors

Here, we're presenting the investment required to participate in this event. Act quickly, as participation is limited, and prices are set to increase soon!
