WORLD BLASTING INNOVATORS STUDENT REGULATIONS

We're calling all students interested in the mining industry! We want you to be a part of the World Blasting Innovators Conference. Whether you're studying mining engineering, geotechnical engineering, geology, environmental engineering, or any other course related to mining, this conference is for you. It's an opportunity to meet professionals, learn, and grow. We believe in making mining safer and more sustainable, and we need your fresh perspective. Come join us as we explore new ideas and solutions. Your presence isn't just about attending – it's about being part of something bigger, shaping the future of mining. Don't miss out on this opportunity to be a part of the change. We can't wait to see you at the conference!

1 Registration and Attendance

- I) All students must register for the event before 31/07/2024.
- II) Interested attendees may find the link for registration at www.worldblastinginnovators.com/pricing/

OCTOBER 7th | 8th | 9th 2024

WORLD BLASTING INNOVATORS UNIVERSITY PARTNERSHIP

World Blasting Innovators is calling all universities interested in empowering their students and contributing to the future of the mining industry! We believe in the power of collaboration and want to offer your students a unique opportunity to participate in the upcoming World Blasting Innovators Conference.

The conference is designed for students from various disciplines such as mining engineering, geotechnical engineering, geology, environmental engineering, and related fields. It's a chance for them to connect with industry professionals, learn about the latest innovations, and explore solutions for making mining safer and more sustainable.

Partnering with us means providing your students with exclusive access to this enriching event. They'll have the chance to engage in discussions, gain insights, and be part of a community dedicated to shaping the future of mining.

Don't miss out on this opportunity to offer your students a platform for growth and learning while being featured as an institutional partner of the event. Contact us through info@blastinginnovators.com and be part of this community.
